

TADPOLE'S PROMISES

“

A tadpole and a caterpillar fall in love. “Promise me you’ll never change” asks the caterpillar. The tadpole says “I promise.” But will he keep his promise? Can he keep his promise? And what will happen if he does change?

”

Task Questions:

- ✓ Did the tadpole break his promise?
- ✓ Did the tadpole change?
- ✓ Is it the tadpole’s fault that he changed?
- ✓ Should the caterpillar forgive the tadpole?
- ✓ When you are 10, will you change?
- ✓ If you will change, will you still be the same person?
